Wine Pull

Education Conference – March 3 - 4, 2015

***What Fuels You?*** If the answer is wine – then you won't want to miss participating in our chapter's first "Wine Pull" fundraiser at our upcoming Education Conference. We are reaching out to you in hopes that you bring your favorite bottle(s) of wines and/or champagnes to be raffled off. Raffle tickets will be sold and each person that purchases a ticket will be guaranteed to take home a mystery bottle of wine or champagne!

Here's how it will work. Each raffle ticket purchaser will draw a number and will automatically win the bottle of wine or champagne that has been assigned that corresponding number.

It is suggested that each bottle of wine have a minimum "retail" value of \$15 - \$20 each. Look for those sales!!!! We are hoping to have several different value options to spice things up!!! To make this event even more interesting – we are asking that you submit your wine in a wine sack, tote or even decorate your bottle however you like! We want to keep all of the bottles of wines a secret! **The winner of the most creatively decorated bottle will win a special prize!!!!** Please make sure and include your business card with your donation and give to Wayne Callis or Mary O'Hara at the event. If you can't make it – have someone bring your item(s) for you.

The actual drawing will take place on Wednesday during the luncheon.

I would like to get an idea of the types of wines and/or champagnes that will be donated and their retail value prior to the event. Please email me what you are contributing to Janet Tye Wenger at: [jt看817@hotmail.com](mailto:jt看817@hotmail.com) I think it would be nice to announce some of the types of beverages that will be will be distributed. Any questions - call me at 757-382-1351.
